

第4問 (配点 12)

You are writing your statement of purpose to apply to a university. You are now making revisions based on comments from your teacher.

My Statement of Purpose	Comments
I would like to apply to the Childhood Education Department at Uray University. I hope to be a childcare nurse in the future. My decision is related to the fact that my sister had a baby last year. ⁽¹⁾∧ This experience made me realize that helping kids grow up to be healthy is what I love and find fulfilling. I dream of helping society by assisting in the development of children while also respecting their individuality. Your university has a great program that will allow me to learn how to teach kids with considering their individual characteristics. One of my strong points is being good at ⁽²⁾<u>playing sports</u>. In high school, I was the lacrosse team captain, guiding teammates and leading activities. As a leader with a strong sense of duty, I provided instructions and communicated with teammates. Through this experience, I developed a sense of responsibility for collaboration and leadership. On the other hand, I tend to handle problems alone. I often try to solve things on my own without asking for support, but now I realize the need to overcome this tendency by actively seeking	<i>(1) You are missing something here. Add more information between the two sentences to connect them.</i> <i>(2) This topic sentence doesn't really match this paragraph. Rewrite it.</i>

advice from people around me. I am confident that by improving this weakness of mine, I can become a valuable resource to your university. What your university offers me, along with my sense of responsibility and a positive attitude toward ⁽³⁾<u>studying hard for my goal</u> is the reason why I have chosen to enter Uray University. ⁽⁴⁾∧	(3) <i>The underlined phrase doesn't summarize your statement content well enough.
